During the term the office will be open:

Monday—Thursday 8:30am to 1pm. # Friday 8:30am—10:45am

Parents are asked to go to the office to sign their children in if they are late for school and also to sign them out when taking them from the school grounds before 3pm. This is a safety rule. If we have an incident at school then we are aware of where all children are.

When delivering items eg, lunches, homework or clothing items to your child, please leave at the office or leave with Mrs Bradford in the Library. This will mean no interruptions of students' learning in the classroom.

Parents are reminded that when picking up your children in the afternoon, you are asked to wait out the front of the school, under E Block (Yr 4, 5-6 block) or in the courtyard near Yr 2-3. Please do not go onto the verandahs or inside the buildings as it is still teaching time and staff need to be able to access different areas of the school.

Prep/1/2 class

Prep students are getting familiar with the iPads from their room. They are using the program 'Wushka' which is a reading comprehension program. The students are learning while navigating through this program, all at their own level. As they improve and score highly they can go up a level.

In small Maths groups students are leaning to look at different ways a number can look. Students came up with some great examples eg: 2 can look like the word Two, 4-2=2, and so on. The student just loved this.
