Central Student Awards

Teachers reward students in their classes who achieve goals set and keep on track with their studies. These students were the outstanding pupils in each class. Well done to you all.

Yr 5-6

These students received 20 out of 20 correct for their spelling words for the week. Congratulations to you all.

Charlotte and George received their rewards for banking at school. Each week students bring their money to school for Mrs Spruce bank for them.

Below: These students and staff members had their birthdays in May. They each received a special gift and a birthday card. Hope you had a great day.

Mrs Hillyard receives some lovely bears from the LifeFlight. At the end of each term 1 student's name is selected from the "Bee Box". Last terms winner was Connor. Congratulations.

During the term the office will be open:

Monday—Thursday 8:30am to 1pm. # Friday 8:30am—10:45am

Parents are asked to go to the office to sign their children in if they are late for school and also to sign them out when taking them from the school grounds before 3pm. This is a safety rule. If we have an incident at school then we are aware of where all children are.

When delivering items eg, lunches, homework or clothing items for your child, please leave them at the office or leave them with Mrs Bradford in the Library. This will mean no interruptions of students' learning in the classroom.

Parents are reminded that when picking up your children in the afternoon, you are asked to wait out the front of the school, under E Block (Yr 4, 5-6 block) or in the courtyard near Yr 2-3. Please do not go onto the verandahs or inside the buildings as it is still teaching time and staff need to be able to access different areas of the school.

Students in Yr 4-5-6 walked to the BRAG last term. They were greeted by Rebecca the co-ordinator at the centre. She guided them through the Australian War Memorial exhibition called 'Remember Me: The Lost Diggers of Vignacourt' which had a focus on the links between this story and our Bundaberg region.

There was also a focus on the early form of photography using glass plates and the use of postcards by soldiers during the War. Students wrote on postcards and Rebecca is sending them in the mail for the students to receive. How cool is that!

BRAG

Early form of postcards sent by soldiers to their loved ones back home.

Silver Celebrations

On Thursday 21st June, students from Central were rewarded for their behaviour. If they had reached Silver, students enjoyed a disco. The hall was filled with noisy excited students dancing to the latest songs. Chappy was seen dancing his moves in between the

students. Students that reached Bronze were rewarded with a movie while munching on chips. Both groups enjoyed the event.

Principal's Message

Welcome back to Term 3. This term sees the implementation of our "Oral Hygiene Program". This program would not have been possible without the organization from Mrs Hartmann and the kind donation from Mr Graham Bunter from the Chemist Warehouse. Mr Bunter said "What a great idea for students to learn at an early age. This will set them up with great hygiene". We were supplied with toothbrushes and toothpaste for each child. All classes will be involved in cleaning their teeth just after 2nd break.

We welcome Ms Jen Barnes to Bundaberg Central School as a teacher in the Prep-1-2 room for the rest of the year. Please say hello and make her feel welcome.
