

Go Blue

For Autism

On Friday 20th April we celebrated Autism Awareness month. Students and teachers went "Blue" and made a gold coin donation for the privilege. We raised \$54. This money will go directly to the Autism foundation to help all children who have been diagnosed with Autism.

Autism now affects approximately one in every 100 children. Each person with Autism Spectrum Disorder is different to another and has their own way of seeing the world, which makes them interesting and unique. When someone has ASD, it means that their brains are wired differently to other people.

However, the symptoms of ASD vary enormously from person to person. Thank you to everyone who participated to make this day amazing.

Easter Hat Parade

Students made some wonderful hats, full of colour to wear at the Easter Hat Parade. It must have been difficult for the judges (Chappy and Suzanne) to choose. Each year level paraded in front of a huge crowd of parents and family members who were cheering and applauding the students. Even the staff members wore their Easter hats! It was a lovely morning spent together, just before the holiday break.

The winners of each year level were:
Prep: Lachlan, Year 1/2: Zara, Year 2: George, Year 3: Rylee, Year 4: Dakota, Year 5: Skyeann, and Year 6: Talisha. Congratulations on all the students efforts for this years parade. You all looked wonderful. Hope you all had a great Easter holiday.
