

Sports Day

The sky was grey early in the morning, but we were fortunate when the sun appeared as the races started. It was a great day. Students were dressed in full colour of their teams. Great sportsmanship was seen throughout the day as both teams participated in the events. The balls games are a lot of fun with our principal Teeny Patterson joining in to fill a team.

Flinders were the victors for 2018.

Winners for Age Champions were:

9 yrs boys :Koby Livermore 9 Yrs girls: Charlotte Robinson

A big thank you to the P & C for running the tuckshop again this year. Competitors and families were lined up for some delicious food. So many families came along to the sports day to support not only their own children, but with the other students as well. Thank you also to the staff members for their support and encouragement to students. Some staff members gave their time freely.
